Demographics

Demographics Summary

Martin Elementary analyzes data on a daily basis. Daily reviews include attendance and At-Risk reports. Campus personnel checks student attendance daily and follow necessary procedures to track excessive absences through parent contact and conferences. The Parent Liaison assists by making home visits as requested by teachers and by her analysis of attendance problems. Attendance percentages are shared with campus staff weekly to keep a campus wide focus of our attendance goal. Also, campus personnel consistently checks At-Risk reports through progress reports, benchmark results, and subgroup analysis of progress and give appropriate additional instruction through Tier instruction and afterschool tutorial.

The student population at Martin Elementary School is approximately 494 (PEIMS Snapshot date of 10/25/19) and serves students in grades Pre-Kinder- 3 through Fifth. According to the PEIMS Data Review of our campus profile, the student population includes: (Hispanic - 94.3%, White - 5.5%, Economically Disadvantaged - 92.1%, English Language Learners (ELL) 37.4%, At-Risk 74.3%, Bilingual - 36.1%, Gifted & Talented - 5.3%, Special Ed. - 14.6%. Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The Martin Elementary Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (CNA) to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. The CNA was uploaded onto the Martin Elementary Website with separate links for students (Gr. 2-5), Parents, and Staff made available from March 3-13, 2020. Parents were also given the opportunity to complete the Parent Survey during Open House held on March 9 and each classroom and a computer lab were made available for parent use. Students in Grades 2-5 completed their survey by the March 13th deadline set by campus Administration. Martin Elementary emailed BISD Assessment Dept. to run the surveys and results were emailed to the Dean of Instruction on April 22, 2020. The total number of survey participants included: Students - 246, Staff - 55, Parents - 49. As part of the CNA, PK-5th Grade Level Teams along with Sp. Ed. and Sp. Pops. Depts. completed their Wish List Form prioritizing resources and technology needs in order to meet campus goals. This documentation was submitted to the Dean of Instruction by the May 8th deadline.

The Martin Elementary SBDM Committee met via Zoom on May 15, 2020 to review the CNA results, lists strengths, prioritize needs and gave input on the development of the CIP 2020-2021. Data Analysis of the CNA in the form of strengths, list of needs and priorities were compiled in the Multiple Measures of Data sections including: Demographics, Student Academic Achievement, School Processes and Programs, and Perception. Based on the CNA and taking into account the distance learning that took place due to COVID-19, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal listed followed the District Improvement Plan to have a 3 point increase of all students and all student groups passing all parts of state mandated assessments for the 2020-2021 school year, in addition to increasing the number of students achieving at the Masters performance level in all tested content areas.

SBDM Committee members that participated in the CNA data analysis and CIP development along with their roles were listed on the roster included at the end of the CIP.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The Martin Elem. SBDM Committee gave input on May 15, 2020 on the development of the CIP for 2020-2021 and made revisions as to setting goals and developing activities using data from CNA from students, staff, parents and community along with teacher input for staff development needs. There were a total of 24 SBDM Committee members involved in the process including: 2 Administrators, 8 Classroom Teachers, 1 Non-Classroom Professional, 2 Paraprofessionals, 1 Parent Liaison, 2 Business Representatives, 2 Committee Representatives, 1 District Level Professional, 3 Parents one of which is a bilingual parent, and 2 students with one representing 4th grade and the other student representing 5th grade.

SBDM Committee members and their roles were listed on the roster included at the end of the CIP.

2.2: Regular monitoring and revision

The Martin Elem. SBDM Committee will meet on the first Wednesday of each month throughout the 2020-2021 school year to review the CIP for revisions, budget updates, along with campus updates. Formative Reviews are to be made in November, February, April in addition to the Summative Review completed by June.

Documentation of SBDM Committee meetings including Agendas, Sign-in Sheets, and Minutes that include reference to CNA data analysis and CIP monitoring and revision will be uploaded onto the 2020-2021 Plan Addendums. Projected CIP Review dates include: November 4, 2020, February 3, 2021 and April 7, 2021 with CNA analysis and CIP development projected on May 5, 2020. (UPDATE SPECIFIC DATES THROUGHOUT 2020-2021)

2.3: Available to parents and community in an understandable format and language

The Martin Elem. CIP is uploaded onto the campus website with the most current plan's revision date noted. The CIP is in English with oral translation in Spanish available upon request. Also, an English printed copy of the CIP is available for viewing in the Dean of Instruction's Office with oral translation in Spanish available upon request. The SBDM Committee has a membership that includes 3 parents, one of who is a bilingual parent. As an extension of topics discussed at SBDM Committee Meetings, the Dean of Instruction presents at Parent Involvement meetings bilingually, in addition to giving updates regarding the CIP as documented in the Parent Involvement Binder located in the Office.

2.4: Opportunities for all children to meet State standards

Martin Elementary Staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of After School Tutorial and Extended Day Enrichment Programs, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the State and local improvements plans. State Comp. allocations will be used toward Afterschool Tutorial and Extended Day Enrichment Program to improve student achievement. Tier instruction will be used during daily instruction with pull out of small group being used for Tier II and Tier III instruction. (Ex. CIP 2020-2021 Goal 1, Objective 1, Strategy 1, pg. 22) UPDATE pg. UPON CIP REVISION

2.5: Increased learning time and well-rounded education

In order to increase learning time and well-rounded education, Grades 3-5 will provide departmentalized instruction in the content areas. This will allow teachers to focus instruction on the assigned content area and assist with focused planning for targeted objectives. Teachers in Grades 3-5 will also have vertical planning sessions in order to collaborate regarding instructional strategies and resources and to develop continuity of instruction. Teachers will be included in decisions regarding the use and selection of academic assessments to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including the TELPAS, campus and district benchmark tests & C&I Checkpoints, Prodigy Math, STEMscopes, FASCT Project data, TPRI/Tejas LEE/C-PALLs, etc. to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments. (Ex. CIP 2020-2021 Goal 8, Objective 1, Strategy 2, pg. 66) UPDATE pg. UPON CIP REVISION

2.6: Address needs of all students, particularly at-risk

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program based on his/her individual needs. Data analysis plays an important role. Through the use of Grade Level/Vertical Planning and data analysis meetings, in conjunction with tutorials and staff development, students will become better prepared because their teachers will be better prepared. RTI meetings will be held every six weeks to analyze the progress of students and to review

the effectiveness of the Tier II/III instruction, in addition to making recommendations for further assessment for special programs as Special Education, Dyslexia, and 504. (Ex. CIP 2020-2021 Goal 9, Objective 2, Strategy 1, pg. 72) UPDATE pg. UPON CIP REVISION

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Martin Elementary will develop the Parent and Family Engagement Policy with a committee consisting of the Principal, Parent Liaison, and parent representatives. The Parent and Family Engagement Policy will be available in pamphlet form located in the Office both in English and Spanish at the beginning of the 2020-2021 school year and distributed to new registrants upon their arrival to campus as part of the registration process. The Parent Liaison will review the Parent and Family Engagement Policy during scheduled parent meetings and review the policy throughout the school year. The Parent and Family Engagement Policy will also be uploaded onto the Martin Elementary website in both English and Spanish. (Ex. CIP 2020-2010 Goal 6, Objective 1, Strategy 3, pg. 52) UPDATE pg. UPON CIP REVISION

3.2: Offer flexible number of parent involvement meetings

Parent education will be provided to parents by the campus Parent Liaison as well as the District's Parental Involvement Center. Parent trainings and Annual Title 1 Meeting will be held at flexible meeting days and times in order to allow for parents to attend sessions that best meet their schedule of availability presented in English and Spanish.  - b. Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;
 - c. Materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or
 - d. Infringes on the rights of the victim at school; and
2. Includes cyberbullying.

2. Bullying that occurs on a publicly or privately owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
3. Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
 - a. Interferes with a student’s educational opportunities; or

- b. Substantially disrupts the orderly operation of a classroom, school, or school-sponsored or school-related activity.

Policy

The board shall adopt a policy, including any necessary procedures, concerning bullying that:

Education Code 37.0832

Note: This policy addresses bullying of District students. For purposes of this policy, the term bullying includes cyber-bullying.

For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.

Bullying Prohibited	The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.
Examples	Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.
Retaliation	The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.
Examples	Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.
False Claim	A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.
Timely Reporting	Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.
Reporting Procedures	To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.
Student Report	
Employee Report	Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

Report Format	A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.
Notice of Report	When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.
Prohibited Conduct	The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, sex, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.
Investigation of Report	The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.
Concluding the Investigation	<p>Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.</p> <p>The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.</p>
Notice to Parents	If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.
District Action	If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. The District may notify law enforcement in certain circumstances.
<i>Discipline</i>	A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.

	<p>The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.</p>
<i>Corrective Action</i>	<p>Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.</p>
<i>Transfers</i>	<p>The principal or designee shall refer to FDB for transfer provisions.</p>
<i>Counseling</i>	<p>The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.</p>
Improper Conduct	<p>If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.</p>
Confidentiality	<p>To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.</p>
Appeal	<p>A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.</p>
Records Retention	<p>Retention of records shall be in accordance with CPC(LOCAL).</p>
Access to Policy and Procedures	<p>This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.</p>
